

BracUMatHUB

BracUMatHUB is a web-based academic resource management platform developed for BRAC University students. The main purpose of this platform is to provide a centralized place where students can easily access course information, academic materials, and useful academic services.

Implemented Features

1. User Authentication System

- Student and admin login system
- Secure session-based authentication
- Role-based access control

2. Course Management System

- Course listing with course code and course name
- Course-wise resource organization
- Course search functionality

3. Academic Material Management

- Admin can upload academic resources
- Materials organized according to course and category
- Supports different resource types:
 - Notes
 - Slides
 - Assignments
 - Lab Assignments
 - Previous Year Questions
 - Books
 - Additional Resources

4. Material Preview and Download System

- Students can preview PDF files
- Download available resources
- Displays file information such as file type, size, and upload date

5. Student Material Submission System

- Students can submit academic resources
- Course and category based submission
- Uploaded files are stored systematically

6. Admin Material Management

- Admin dashboard for managing resources
- Upload and organize materials
- Control academic content

7. CGPA Calculator

- Integrated CGPA calculation tool
- Helps students calculate their academic performance easily

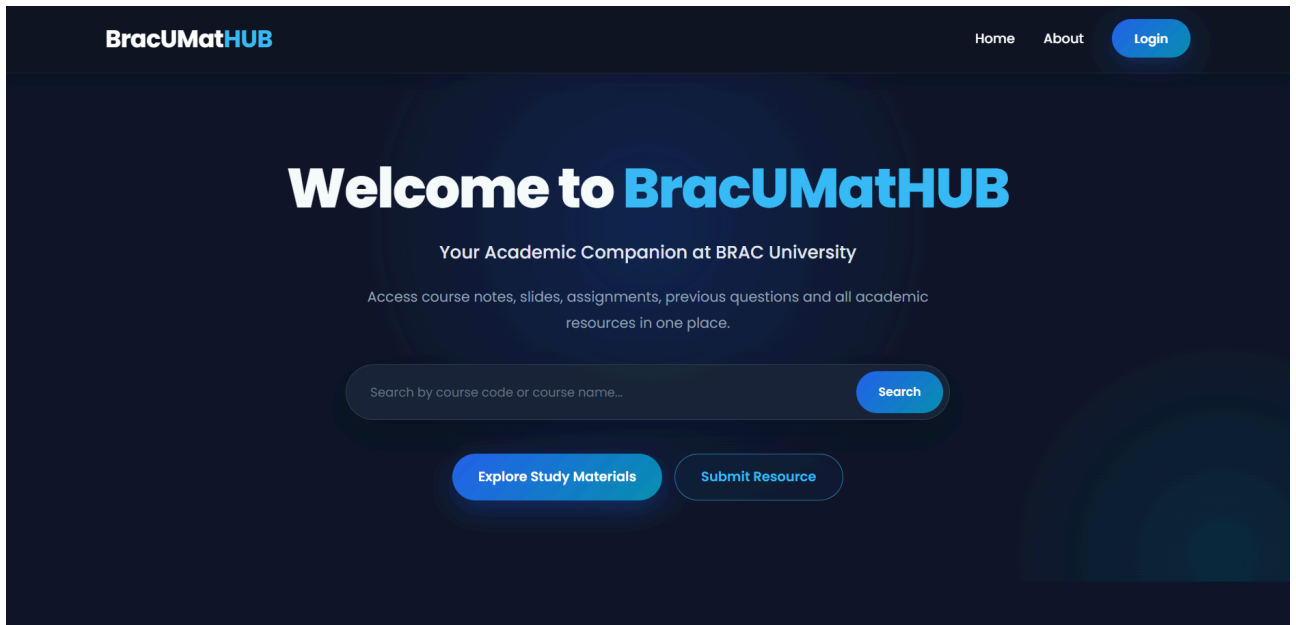

8. Dynamic Homepage

- Displays updated course count
- Shows available resource count
- Shows registered student count

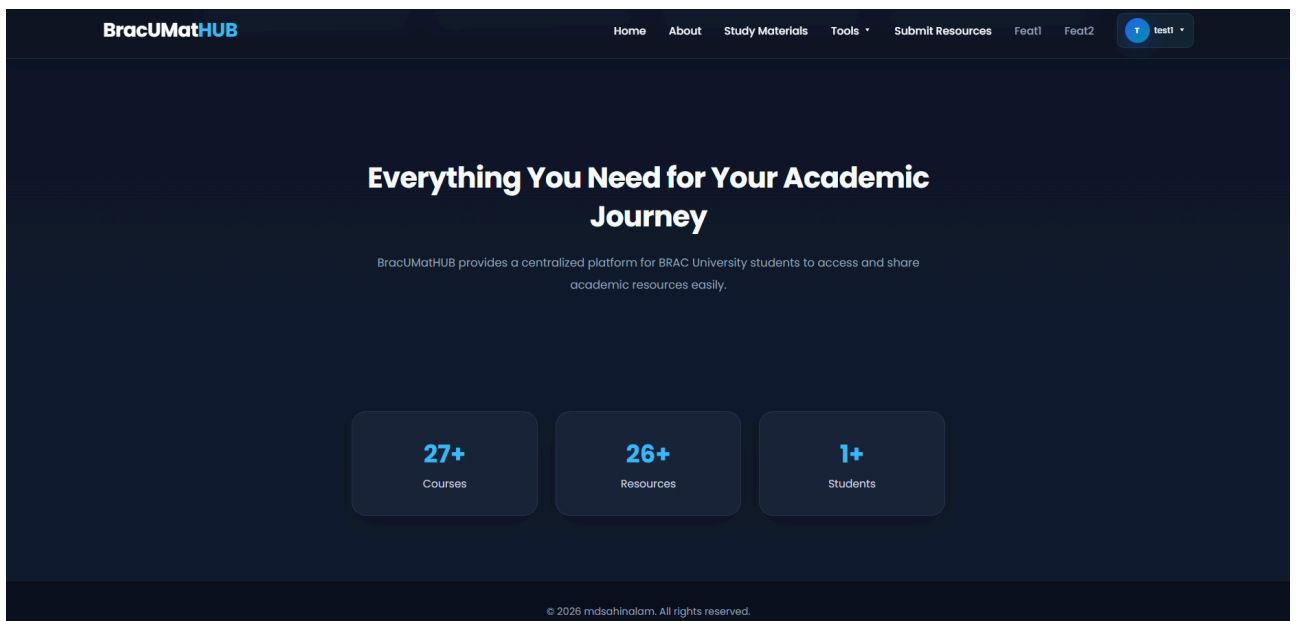

9. Responsive User Interface

- Modern and user-friendly design
- Easy navigation through courses and resources
- Responsive layout for better accessibility

REFERENCE

Grading & Scholarship Scale

The calculator uses the grading and scholarship ranges shown in your provided CGPA sheet.

Grading Scale

Maximum grade point: 4.00

Mark Range	Grade	Grade Point
91-100	A+	4.0
90-90.99	A	4.0
89-89.99	A-	3.7
88-88.99	B+	3.3
78-87.99	B	3.0
77-77.99	B-	2.7
68-76.99	C+	2.3
67-67.99	C	2.0
57-66.99	C-	1.7
56-56.99	D+	1.3
52-55.99	D	1.0
50-51.99	D-	0.7
Below 50	F	0.0

Scholarship CGPA Range

Estimated percentage based on the shown scale.

CGPA Range	Scholarship
3.70-3.84	95%
3.85-3.89	98%
3.90-3.94	99%
3.95-3.99	100%
4.00	100%

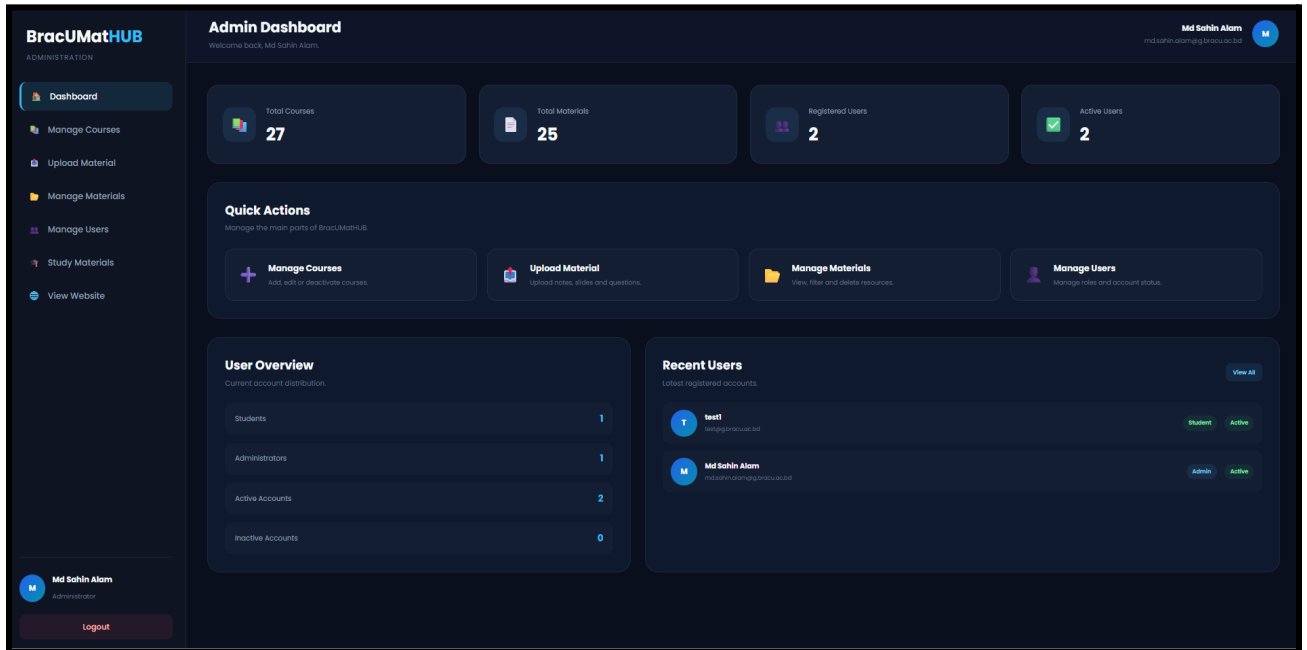

CGPA Formula

$$CGPA = \frac{\text{Total Quality Points}}{\text{Total Completed Credits}}$$

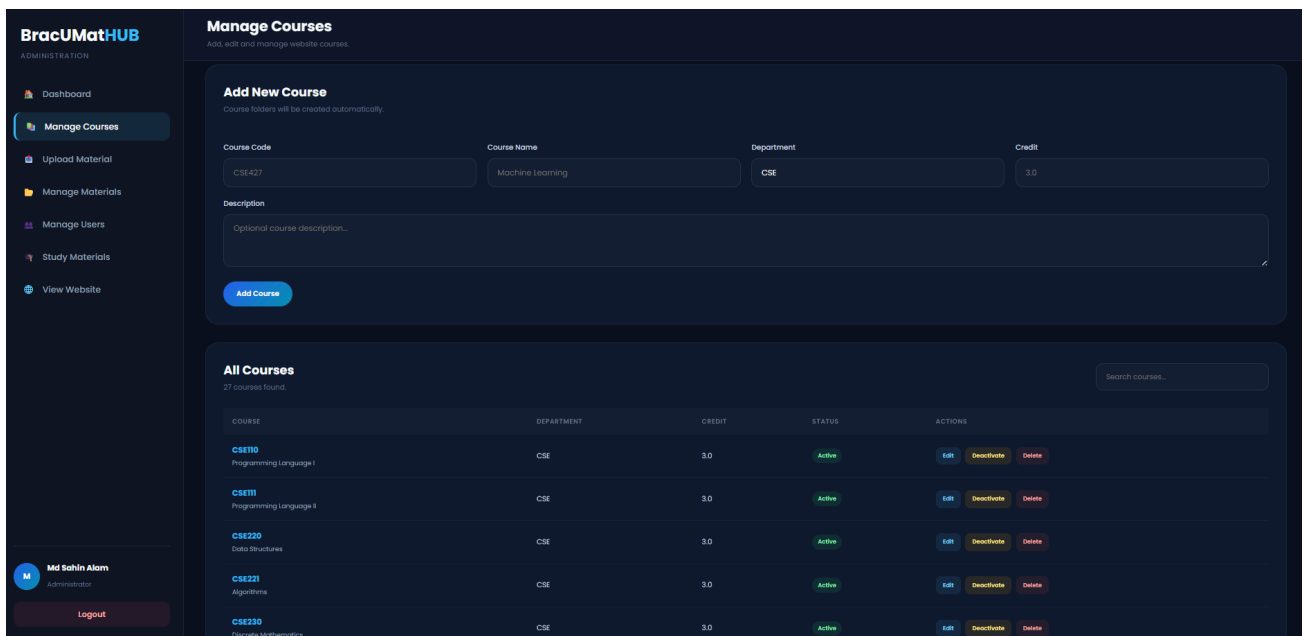

Target GPA Formula

$$\text{Required GPA} = \frac{(\text{Target CGPA} \times \text{Total Credits}) - \text{Current CGPA} \times \text{Completed Credits}}{\text{Remaining Credits}}$$
